ordering instructions and pricing

Part Number	List Price	Where Used
MAFS1*	\$29.00	DSN20 and PN20

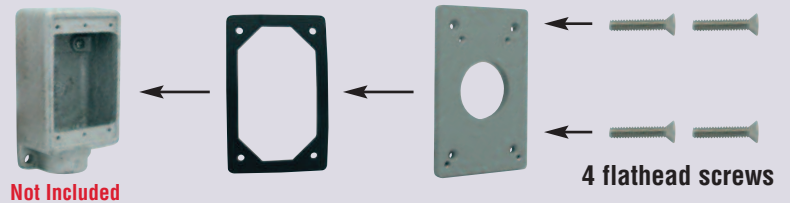

* FS box not included

Note: Future editions of the product catalog will include the new part number in the DSN20 section.

mounting directions

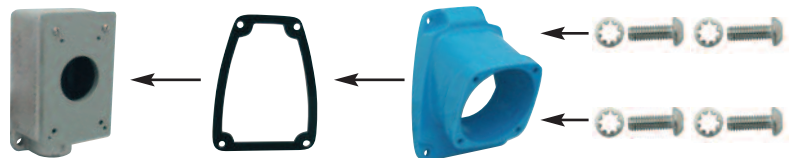

Step 1

Mount adapter plate to FS box - include gasket between adapter plate and box. (FS box not included)

Step 2

Mount 30° angle to adapter plate - include gasket between angle and plate.

Step 3

Wire and mount DSN20 receptacle or inlet to angle. PN20 Series receptacle/inlet may also be used.
