Subject: Confirmation of Country of Origin for **ARRA** Funded Projects

This letter confirms that the following plugs and receptacles are manufactured by Meltric Corporation in Franklin, Wisconsin and thus **comply to the requirements for ARRA** funded projects.

1. Decontactor Series switch rated plugs and receptacles (DSN, DS, and DB models).
2. DR Series plugs and receptacles
3. PN Series plugs and receptacles
4. PF Series plugs and receptacles
5. Multipin plugs and receptacles (non-hazardous duty rated)
6. Power distribution boxes/panels

A few product lines are not manufactured in the USA and thus may not comply to requirements for ARRA funded projects.

1. DX/DXN Series plugs and receptacles
2. SP Series plugs and receptacles
3. Hazardous duty rated Multipin plugs and receptacles

Sincerely

Bill Fortman
Marketing Manager
